CHILDREN'S WORLD

It is now a widely accepted fact that schools and academics can not fully draw out a child's talents or satisfy his intelligence. For that an all-round training is required.

Children's World has taken into account all these factors and has designed an excellent summer programme named "Creative Child Centre" a cover literary, Fine Arts, Games & Sports Activities. A full fledged cricket coaching camp was started for children of all ages.

Children's world has taken up the task of organising various workshops for teachers to enrich their knowledge with the latest developments in educational and related field.

BALA CHELIMI

Keeping in view the growing demand for new and more dynamic Children's writing Children's Educational Academy publishes the magazines with unique concept that will a) Create an awareness in children for more meaningful literature. b) Provide an opening for Telugu writers to produce purposeful Children's writing and c) Start a process whereby more and more children are exposed to international trends in literature. Science, Technology and Arts and an interest in general knowledge. Current affairs and serious reading is in culcated in them.

OXFORD SCHOOL HOSTEL

The aim of Oxford School Hostel is to facilitate parents to educate their children properly and without anxiety. Children are trained to live together peacefully in society and adapt themselves to a disciplined mode of life. A feeling of mutual help and self discipline inculcated in the children.

The ultimate goal is to impart "Total Education" comprising academic excellence, moulding of character, personality development and participation in curricular activities, which will prepare them as useful citizen.

CREATIVE CHILD CENTRE
